23 The principle underlying the grant of privilege leave is that the officer should thereby recoup his health & energies and discharge his duties with renewed vigour both physical & mental after return from such leave. It is for this reason that privilege leave is not allowed to be accumulated for more than three months & privilege leave preparatory to retirement is not given. It is a very sound principle & its abandonment is not desirable from the point of view of efficiency of the public service.

Final Note by the First Member of Council.

Subject:— 33 Pension to Mr. H.Srinivasa Rao late Deputy Conservator of Forests.

---

34 Mr. H.Srinivasa Rao, late - Deputy Conservator of Forests who was retired from service from Ist. January I9I5, prays that he may either be granted privilege leave for three months prior to retirement or an enhanced pension of Rs 20(per mensem. He has rendered a qualifying service of 30 years and odd and the Comptroller reports - that a pension of Rs I93-0-I0 per mensem is admissi- -ble to him therefor. The Financial Secretary - points out that under the provisions of ~~the~~ article I75 &458 Mysore Service Regulation, the grant of - privilege leave prior to retirement is inadmissible and that the principle underlying the grant of pri- -vilege leave is that the officer should thereby - recoup his health and energies and be able to dis- -charge his duties with renewed vigour both physic and mental after return from such leave, that for this reason privilege leave preparatory to retire- -ment is not given, that it is a very sound princi- -ple and its abandonment is not desirable from the point of view of efficiency of the public service. The Second Member states that he is not convinced of the justification for recommending a departure from

from the wellknown provisions of the Mysore - - Service Regulation, or to grant a special rate of pension, and that Mr.Srinivasa Rao was treated with special consideration by Government towards the end of his official career and has no good cause for any complaint. I agreed that there was no reason to grant a special pension to Mr. Srinivasa Rao, but could not see the necessity or the justice of these restrictions on privilege leave which is given in consideration of past, not of future service. I was for giving Mr. Srini--vasa Rao the privilege leave that was at his - credit, and incidentally, for cancelling article 175 of the Mysore Service Regulation. The matter was considered in Council who are by a majority, of opinion that Mr.Srinivasa Rao's requests need ~~can-~~ not be ~~complied with~~ granted.

Sir,

With reference to your letter no. R 1611 Ft III-14-6 dated 13-1-15, addressed to the Conservator of forests regarding extending my services I humbly beg to state that while passing orders of retirement my case does not seem to have been considered in the light of prospects held out to me in the Indur state to which the then Conservator of Forests recommended my deputation as desired by Government to select a competent man to be sent to that State. Just then I was given promotion here, for which I feel very thankful, and the question of sending me to Indur was dropped. But what I beg to bring to the notice of the Government is that my retirement shortly after the promotion has deprived me of both the chances of serving here and at Indur where I could have continued for a longer period and on a higher Salary. Government know that I had a more remunerative chance and that I lost it not by any disqualification but by the desire of Government that I should continue to serve here as they then gave me promotion & a year's extension
